

# Glass & Architectural Metals Association

C/O Calgary Construction Association

2725-12 Street N.E. Calgary, Alberta Canada T2E 7J2

## March Joint GAMA/ ABEC/ Spec Writers Meeting

**Thursday – March 11, 2010**

**Location: Executive Royal Inn, 2828 – 23<sup>rd</sup> Street N.E.**

**Time: 5:30 for cocktails / 6:00 call meeting to order and dinner**

**Price:**

**\$30.00  
each**

**Menu: Hot Deluxe Buffet Dinner with all the trimmings and tasty desserts.**

**Guest Speaker: We have Rick Wright from Oldcastle Glass where he is the director of Technical Services. Rick is active in several glass associations including the Glass Association of North America, The Glazing Industry Code Committee, the Insulating Glass Certification Council, and the Safety Glazing Certification Council and is currently the chairman of the Flat Glass Subcommittee of ASTM international. He will be speaking on the topic of Understanding Heat Treated Glass.**

Topics include Tempered and heat strengthened glass, Strength and deflection, Thermal stress breakage, Break patterns – fall out, Flatness – Roller Wave, Iridescence, and Spontaneous breakage – Heat Soaking

The 2010 GAMA Executive would like to encourage all members to attend the monthly general meetings, informative Guest Speakers on industry and corporate related subjects can make for an interesting evening. The success of our association is dependent on the participation of its members, please try to join us.

**Please RSVP to Greg West by noon on Tuesday – March 2, 2010**

**Fax: 403. 243.2198 or email: [gregwest@ferguson.ca](mailto:gregwest@ferguson.ca)**

**Company: \_\_\_\_\_ No. Attending: \_\_\_\_\_**

Please let me know if anyone from your company is coming, or if no one is coming. It saves me from having to do a call out every time.

Thanks and we hope to see you at the meeting,

*Greg West*
